## St. Luke the Evangelist Sunday October 18th, 2020

*Sunday at 11am*

*Today's celebration* the Church remembers St. Luke each year on October 18<sup>th</sup>. Luke? The writer of both the gospel that bears his name, and of the Book of Acts. We thank God today for the gift of both these books, revealing the love of God spreading out from Jerusalem to all the world. Tradition has it that Luke was a physician – his vocation to heal was expanded by his call to follow Christ.

### **For your prayers**

For all who have suffered abuse as a result of the Church's actions or inactions

For all working in Safeguarding

For the world, and our own authorities responding to changing events; for the people of the USA as their election approaches

For the UK in responding to events

For the sick and the suffering especially those affected by Covid-19

For the departed especially those whom we have known and loved
