Dedication Festival **Sunday October 25th, 2020**

Sunday at 11am

Today's celebration is an opportunity to give thanks for the gift of our church building, the foundation stone of which was laid on October 28th, 1933 with the church's consecration following in March 1935. In the first reading we hear Solomon asking God to set apart the Temple in Jerusalem as a holy place. Today we give thanks for this holy place, and seek to encounter God here.

For your prayers

Thanks for our church building and parish

For the world, and our own authorities responding to changing events; for the people of the USA as their election approaches

For the UK in responding to events

For the sick and the suffering especially those affected by Covid-19

For the departed especially those whom we have known and loved
