

St. Francis of Assisi, Isleworth

Harvest Festival Sunday September 26th, 2021

Sunday at 11am

Today we give thanks for the harvest, but do so against a background of possible shortages and higher energy prices. The wider setting is that people are even more aware of the changes to our climate. Today we are reminded that this world is God's creation, we are called to be stewards of it, and to care for it even as give thanks.

For your prayers

With thanks for the goodness of God in creation
For the Church, for Sarah our bishop, and Graham our area bishop
For those persecuted for their faith
For the Queen, national and devolved governments
For the sick and the suffering
For all who mourn
For the departed especially Geoffrey Collett who died recently

Notices

Welcome to worship today. Refreshments in the hall after the service.
