

St. Francis of Assisi, Isleworth

Third Sunday of Epiphany Sunday January 23rd, 2022

Sunday at 11am

Today we hear of Jesus in the synagogue at Capernaum, and making a self-revelation, an 'epiphany.' Those things looked for by the prophet has, he said, now happened, and it could only be because of his presence and actions. In Jesus we see that what had been promised long before was not a dead letter, but a living reality. This is still true today.

For your prayers

For the Church, for Sarah our bishop, and Graham our area bishop
For the Queen, national and devolved governments
For the people of Tonga
For the sick and the suffering, for those who have asked for prayer
and those we bring with us in prayer today
