Christ the King

Sunday November 20th, 2022

Today is the last Sunday of the current Church year. At the centre of it is a particular way of understanding Christ—as king. Yet what kind of king? The Bible is rarely complimentary about earthly rulers. Christ has to be viewed as a different kind of king, the 'King of love.' The reign of Christ comes through sacrifice and service.

For your prayers

Thanks for the reign of Christ, our King
For earthly rulers—that they may seek the good of those they serve
For the King, national and devolved government in the UK
For current areas of conflict—Ukraine, Yemen - and where conflicts may go unnoticed by the wider world
For the sick, suffering, and bereaved
For the departed especially those who have died recently
