## Corpus Christi

### Sunday June 22nd, 2025

**This Sunday** the Church gives us a day to ponder and celebrate the richness of the sacrament of the Eucharist. Memorial. Thanksgiving. Communion. Celebration. Sharing. Foretaste of the heavenly banquet. This sacrament is central to the life of the Church and is rich in meaning. Let us consider today what it means to us personally.

#### For your prayers

With thanks for the sacrament of the Eucharist  
For the Church, especially during this time when ordinations of deacons and priests are taking place in churches and cathedrals throughout England  
For those who will choose the next Archbishop of Canterbury  
For Sarah our bishop, and Emma our area bishop  
For The King and for all in authority in this land; for the many challenges facing the UK  
For Iran and Israel; For Ukraine; for places where there is civil war; for the Holy Land  
For the sick and suffering, for those in hospital, in different forms of care or supported at home; for hospital and health care services  
For the departed especially Joan Snell
